

## OUR PHILOSOPHY

### **“Zum Franziskaner”, founded in 1363 ...**

Even before Columbus discovered America, the “Zum Franziskaner” was already in the heart of Munich - in good proximity to the Franziskaner monastery, which stood on the square of the National Theatre until 1805 and probably gave it its name. Neither wars, nor inflation, bomb damages, a five-year business interruption (1944 - 1950) and not even the corona pandemic could harm the popularity of Munich's most traditional restaurant.

### **Today...**

**This is where the gastronomic heart beats!**  
**Experience modern tradition in the center of Munich.**

This is where the gastronomic heart beats!

Experience modern tradition in the center of Munich.

Since April 1966, family Reinbold rules the Franziskaner and, with 120 employees, they provide the physical well-being of their guests. The home-style Bavarian cuisine is a figurehead that also attracts international guests from business and politics, from art and science. Young and old meet here, and everyone feels comfortable, because the atmosphere in the Franziskaner is absolutely unique.

Whether for brunch, lunch or dinner - in the “Zum Franziskaner” the top priority is the traditional Munich hospitality from 10:00 to 24:00.
